

# Indian Association of Physics Teachers National Standard Examination in Junior Science

NSEJS 2020-21

Day & Date of Examination: Sunday, November 29, 2020

**NSEJS will be held in Kendriya Vidyalaya, Navodaya Vidyalaya and other selected examination centres.**

*General Instructions cum guide-lines for the use of School Principal/Vice Principal/Teacher in-charge of the centre.* Here-in-after the word "school" will imply the Vidyalaya /School/Sr. Sec. School/Higher Secondary School/High School/College/Junior College or any other similar govt. approved institution affiliated to a RECOGNIZED BOARD. Only such schools/ colleges can be NSEJS centres. Coaching centers/classes/any private premises cannot be registered as a centre.

**Read the students' brochure first**

Indian Association of Physics Teachers (IAPT) is an organisation of Physics Teachers spread throughout the country. It was started by the Late Prof. D.P. Khandelwal in 1984. More than 8000 life members of IAPT work voluntarily to conduct NSEJS.

**All work of IAPT and therefore of this examination is VOLUNTARY**

## ONLINE REGISTRATION OF CENTRES

Online Centre Registration for NSEJS will begin w.e.f August 1, 2020 On the examination portal: iaptexam.in on the Website: <https://www.iapt.org.in> The centre registration includes the details of centre and centre in-charge and later the enrolment list of students and depositing of examination fees on the portal. For guidelines visit the website. All the centre in-charges are requested to co-operate to improve the process and make the system more efficient. All Centres registered in 2019 shall retain same centre number but it is mandatory to register again. New centres shall be given centre number which shall remain same for years to come. Ensure that proper address with PINCODE, email address and at least two phone numbers are provided by the centre.

**Address should be given with PINCODE**

Students of class X, IX or VIII are advised to enrol for NSEJS in their own school/college but may be his / her school/ college is not opting to be a centre. You are hereby requested to enrol all such desirous students (within in the age limit) at your centre. Kindly enrol students by collecting their fees yourself. Student Enrolment form may be downloaded from the Website: <https://www.iapt.org.in> and given to students for enrolment. Issue the receipt for the fees collected. The fee for NSEJS is ₹ 150/- (Rupees One Hundred & Fifty only) per student. Last Date of Enrolment is September 14, 2020. Accept fees from students till this date. (NOT BEYOND THAT) Kindly collect appropriate fees (as indicated above). Keep ₹ 10/- from every ₹ 150/- collected by you, for the expenses at your centre. Transfer the remaining amount ₹ 140/- per student online to IAPT through Pay fees section under student management by using centre Login on the web. This facility will allow you to make payment online using debit/credit card/ NEFT / Net banking/ UPI/ E-Wallet. The last date for remittance of fee by the centre will be September 16, 2020. If the fee is not deposited by this date, Enrolment will not be accepted. For guidelines for online payment, visit the website.

**Payment of fees will be online**

The expenses at the centre include stationery items needed, photo state charges & the postage & printing hall tickets. The balance amount left at the end of the examination work (if any) is at your disposal to be utilized for any other similar academic activity. No account needs to be submitted of this amount.

Just to repeat, you keep ₹ 10/- for your expenses and transfer online ₹ 140/- to IAPT out of each ₹ 150/- . Also ₹ 30/- per student will be paid by IAPT to centres to conduct NSEJS. During online registration, IAPT will allot a Centre Number. This number is to be mentioned in all future correspondence and will be used for enrolment of students and payment of fees on the portal.

The centre number will remain same for centres registered in 2019. The receipt for the payment received by IAPT will be sent to you by email. This receipt also indicates the details of the enrolment at your centre. Ensure that there is no discrepancy. Question Paper packets for your centre are prepared according to the information written on the fee receipt. In case of centres having enrolling for Junior Science and Senior, registration has to be done separately.

Two weeks before the exam, the list of students enrolled in your centre with roll numbers and hall tickets will be sent to your login on the web / email address. The hall tickets have to be printed and attested by the Principal/Centre in-charge with school seal. Hall tickets must be given to students. This hall ticket and individual's identity proof are mandatory to produce during the examination.

Open every letter, packet [**Except the packet containing question Papers**] or any other communication received from IAPT IMMEDIATELY on its receipt. Look for a letter of instructions and act accordingly.

### **IMPORTANT: Dispatch of Examination Parcels**

The examination material will reach the centre well in time through a local co-ordinator/Speed Post/Courier. The centre in-charge may be requested to collect the material from local co-ordinator. Its safe custody is your sole responsibility and academic obligation. In case you do not receive the examination material by November 20, 2020, contact Help Line No. 9822107522 / 9632221945 during working hours 9.00 AM to 6.00 PM.

### **Conducting the examination: The Question Paper envelopes are NOT to be opened till the time of examination (open only 20 minutes before)**

The Roll Number of each student will be assigned by IAPT examination office. Kindly display appropriate list of names indicating the students' roll numbers one week before the examination. Along with this; kindly display the details of the examination such as subject, date, time and above all the place of examination classroom (s), seating arrangement etc. Adhere to the given time schedule. Be extra vigilant and careful. NSEJS is prestigious examination and its integrity depends on YOU. NSEJS must be conducted in the premises of your school/college, under the control of the centre in-charge. Ensure that no unfair practice/malpractice occurs. Any malpractice detected will summarily disqualify the entire centre. In the past, few centres have been disqualified on account of improper conduct of examinations.

### **IAPT's decision in the matter shall be final**

IAPT provides envelopes for sending the answer papers. Seal the answer papers in the given envelope immediately at the close of the examination. Dispatch the Answer Scripts by speed post positively on 30.11.2020. Else hand over the sealed envelope to IAPT representative. Please read the instructions carefully and follow them. It is our experience that delays and inconveniences are caused by not adhering to the instructions. The remains of plastic envelope carrying question paper must be packed along with answer sheets to send to the examination office Dehradun.

### **Important Note: No Calculator is allowed in NSEJS rather no electronic device**

For the convenience of Registration of centres and enrolment of students, a tutorial video will be given as a link in the website. Please go through the video to have a clear demo of the procedure before registering.
